Dear Michael

Wakeners Wood, Arnos, St Andrew and Meadowlands Ref WA/2004/1207

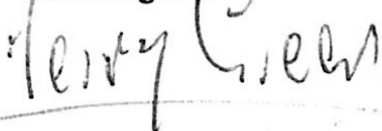

Thank you very much for your recent letter regarding Waverley Borough Councils decision to grant planning permission.

This is fantastic news for all concerned and some what of a surprise given that the application was only submitted seven months ago. We all expected that it would be necessary to go to appeal and that it would be a further twelve months before we had a decision and any money!!

Your team and all the consultants have worked extremely hard to achieve this result and we would like to thank you especially for the professional manor in which the whole matter was dealt with and for keeping us fully informed throughout the process.

If any future landowners require any endorsement of Castle Properties ability to secure planning permission please do not hesitate to give them our address or telephone number.

Kind Regards

Terry and Pat Green
